

Union Grove Elementary 2018-2019 Parent Involvement Policy (as aligned to ISS BOE Policy 1310/4002)

As the instructional leader of Union Grove Elementary School, it is my goal to involve the parents in the education and well-being of our students whether it involves decision making or instruction.

Like Iredell-Statesville Schools' goals, my goals for parental involvement also include:

- Meaningful, two-way communication between school and parents;
- Promotion of responsible parenting;
- Involvement of parents in student learning;
- Promotion of volunteering;
- Involvement of parents in school decisions that affect children and families;
- Parental training;
- Community collaboration;
- Promotion of student health awareness.

Where the word "parent" is written, it is understood that it may also read "guardians" or "legal custodians" of students, as applicable.
